FOR THE MESSIAH?

- In Daniel 9:24-26 the prophet Daniel says when he will come.
- Michah (Micah 5:2) foretold where the Messiah would be born.
- Yirmiyahu (Jeremiah 23:5-6) teaches of his blood line.
- Yeshayahu (Isaiah 7:14) predicts the Messiah's virgin (young woman) birth.
- Tehillim (Psalm 22) speaks of the Messiahs betrayal, accusation by false witness, His manner of death (crucifixion would not have been invented for many years) and His resurrection.
- Yeshayahu (Isaiah 53) Tells of the Messiah's rejection, suffering and ultimate sacrifice.

The seventy weeks prophecies in Daniel has come and gone. God doesn't lie. He keeps His promises.

Not only did we know when to look for the Messiah, but we also knew where. In Bethlehem's small population David's descendants would have been easy to find. Just look for the young pregnant woman.

God wanted the Messiah to be found, He told us everything we needed to find Him. If you are not looking for the promise that God has given, I ask why not! And if you are, You can stop looking because He revealed Himself about 2000 years ago as Jesus Christ.

Don't be so sure in your disbelief, after all the prophets were often ignored, in fact the people didn't believe Moses when he spoke of God's wrath to come. Only seven were saved.

Ironically in the Book of Acts of the New Testament the Jewish believers try to share this good news with the gentiles and now here I am, a gentile trying to figure out how to share this good news with the Jewish people. You must realize by now that not one of us can keep God's law, and in our inability we have earned our wages of death, deserving of the full wrath of God. We cannot hide behind our false pretenses because like Adam and Eve He will know we have done wrong, because God knows our hearts, our sinful nature, intentional and unintentional. He once provided a way to cover sins by sacrificing an unblemished animal as atonement. These many sacrifices merely covered the sin.

Jesus fulfilled all prophecy pertaining to the messiah. Though they try none can prove other wise. Jesus was born sinless then lived the perfect life, sinless and blemish free. He took all of mankind's sins upon Himself being beaten beyond recognition and dying upon the cross. His body did not decay, on the third day he rose from the dead and he is alive. During Jesus' ministry on earth He spoke of Gods wrath to come, like Moses only a few believed. I Believe Jesus Fully God and Fully man is true to His word. He will return to judge both the living and the dead. Time is of the essence, repent now and turn back to God.

Please I beg of you. Find out the truth for yourself. Don't take my word for it, or even your Rabbi's. Ask God to reveal the Messiah to you. Ask God to reveal if it is true that Jesus Christ is the Messiah. And search the scriptures to see if what I say is true.

Soon the sword will come against the land.

The enemy is approaching. In fact he is already here. I blow the trumpet to warn the people. I plead for you to heed the warning and prepare yourself for the wrath to come.

Have you kept God's laws perfectly?

Have you ever lied?

Have you ever taken something that belonged to another?

Have you ever looked at another with lust in your eyes?

Have you ever taken the Lords name in vain?

Have you kept the Sabbath?

Be honest before God and with yourself, If you review the laws, you are just as guilty as I am. Even one sin is punishable by deserved death. Yet God provided a way, just like the days of old, through the sacrifice and resurrection of Jesus Christ.
